

UTAH TOBACCO FREE ALLIANCE

Improving the quality of life for all Utah residents by eliminating tobacco and nicotine use statewide.

WHO WE ARE

The Utah Tobacco Free Alliance is comprised of non-profits, health departments, clinicians, health care systems, and individuals who are committed to reduce exposure and use of tobacco products in Utah.

AIMS

UTFA strengthens businesses relationships to develop Tobacco-Free properties and partners with health care systems to reduce tobacco use with patients. UTFA works diligently to pass legislation aimed to keep tobacco out of the hands of Utah's youth and reduce overall tobacco in Utah.

2018-2019 GOALS

- Promote businesses to implement cessation programs and Tobacco-Free workplace policies.
- Pass legislation to protect Utah's youth from tobacco products.
- Engage health care to educate and implement tobacco prevention & cessation tools.
